

Daffodils

(Created March 2011)

1. Fold and unfold both book-folds.

2. Fold corners to center. Unfold the two corners shown.

3. Valley fold the two corners repeatedly.

4. Turn over.

5. Fold like a fish base following the valley and mountain folds.

6. Unfold the two flaps behind.

7. Bring top tip to bottom mountain folding back layer only.

8. Valley fold top flap creasing only where shown.
